SESSION I "UNDER THE BIG TOP" JUNE 28TH - JULY 9TH

As we step into the World Under the Big Top we will explore the excitement of the art of the Circus. We will spend this session engaging our minds in creative writing and reading activities and learning the math

SESSION II "AROUND THE WORLD WITH TRANSPORTATION" JULY 12TH - JULY 23RD

During this action packed session we will travel the world through different modes of transportation. We will encounter different cultures during our travels while collecting our stamps in our passport. Children will create their own unique mode of transportation to travel to our drive-in theatre.
