

The mission of Rising Stars Preschool is to provide a safe, nurturing, academic learning environment for all students. In order to give all children the opportunity to thrive, we have put forth some basic behavior guidelines for our students. Our staff is committed to lovingly support your child in his or her learning of responsible community membership and will do whatever they can to help your child grow academically and socially. To ensure everyone's safety and ability to learn in a stress-free environment, we will not allow behavior that is disruptive or disrespectful. We ask for your help in communicating to your child the following standards of appropriate behavior:

- To show respect for all members of the Rising Stars community by demonstrating behavior that keeps all students and staff safe from physical and emotional harm
- To show respect for all by being polite and cooperative and avoiding negative or abusive language
- To show respect and care for school and personal property
- To show respect for the academic integrity of the classroom by following directions and avoiding disruptions

Rising Stars Preschool will not tolerate serious behavior problems. Failure to comply with the behavior standards set out in this agreement may result in your child's removal from the classroom or dismissal from Rising Stars Preschool program at the discretion of the Director.
